

The East Carolina Council is pleased to introduce a new program for Cub Scouts at Camp Bonner and the Pamlico Sea Base. This new program "***Cub Scout on Demand***" offers Packs and Dens an opportunity to experience a wide range of activities during the non-summer months at camp.

"***Cub Scout on Demand***" allows your Pack or Den to choose specific activities from four categories:

- Advancement
- Special Events
- Pins and Belt Loops
- General Activities

These activities include BB and archery shooting, woodworking projects, the Cub Scout Outdoor Activity Award, map & compass, nature projects and so much more.

What makes this program unique is the flexibility in activities and scheduling; you choose the weekend to attend camp, and the activities you want your Cub Scouts to experience.

Our activities can be part of your family campout at Bonner and the Sea Base, or you may choose to use them as a day trip program. Either way, we can help build a program that fits your needs and coincides with your schedule.

Initially, "***Cub Scout on Demand***" will begin at Camp Bonner and the Sea Base. As the program develops and grows we will start to offer similar programs at Camp Sam Hatcher and Camp Charles.

Camp Bonner and the Pamlico Sea Base provide the ideal location for Cub Family Campouts. Family siblings are welcome to attend either your family campout or "***Cub Scout on Demand***" program. Visit us online at www.campbonner.org and www.pamlicoseabase.org.
